Dear <NAME>

Let's start with some exciting news: Starring in our Holiday Appeal for the 15th year, our holiday elf Beverly Brandt **WILL MATCH** your donation in response to this mailing! All donations of \$10 or more are matched up to \$10,000! We hope you will take this opportunity to shine by replying with the coupon. Feel free to use the QR code provided or visit our website, waupacahumane.org and using the donation button.

One of the most important lessons we have learned is to “embrace change” at HSWC.

The whole concept of animal welfare has gone through many changes over the past few decades, mostly in a positive direction. Increasingly, our focus has become helping people with their animals, rather than simply helping animals find homes.

No one among us can solve all the problems out there right now, but HSWC is uniquely positioned to help with one of the biggest needs: access to spay/neuter services. In addition to our animal rehoming efforts, we are moving forward with plans to expand our existing building to create a surgical center where we continue to shine brightly in providing increased services.

HSWC is still doing everything we can with what we have already been blessed with, from you and other generous donors! Since this time last year, you have helped us provide:

Spay/Neuter to 270+ HSWC residents and 300+ other rescue/shelter animals to prepare them for adoption.

Almost 500 life changing surgeries have been completed for public-owned animals.

Quarterly vaccine clinics have served over 105+ public-owned animals, as well as blood tests and microchips.

This has been keeping HSWC staff and volunteers very busy. We took in and found loving homes for well over 300 animals this year! All of this is possible through your generous kindness. HSWC literally would not be able to do it without you!

Our current primary need is funds to help us through the winter months. Just keeping the animals warm during the harsh winter months is a staggering \$4000+ for HSWC! <NAME> won't you please donate today and help our mission shine?

Happiest of Holidays and a Stellar New Year!

Monica Gardner
