

Give the Gift of a Home for the Holidays

Humane Society of Waupaca County Holiday Appeal

As the snow begins to fall and festive lights twinkle across Waupaca County, our hearts turn toward home—warmth, love, and togetherness. Yet for many of our shelter animals, especially those with special needs, the holidays are just another season spent waiting.

This year, we invite you to make a life-changing difference.

Give the gift of a home.

Not just any home—a home filled with patience, compassion, and unconditional love.

Meet Some of Our “Holiday Hopefuls”

❁ **Maybelle**, a vocal old lady with a story to tell to that special person. She’s looking for a window to watch the snow flakes dance in the wind or a warm lap to sleep on when the evenings get chilly.

❁ **Thumper**, a young spunky husky mix with the determination to please. He’s shy at first, but warms up quickly with treats and affection. Thumper loves to learn and has enjoyed and graduated all his training classes!

❁ **Oliver Twist**, the sweetest, FeLV+, three-legged grey tabby you’d ever meet is waiting for his warm cozy spot in his person’s lap. Oliver Twist has quite the story to tell to anyone who will listen.

❁ **Myah**, the beautiful white German shepherd, husky mix with all the love to give. She’s been waiting over one thousand days for her forever home.

These incredible animals may have unique needs, yet they offer something extraordinary in return: unwavering loyalty, gratitude, and love that knows no bounds. In addition, there are about 70 more dogs, cats, rabbits, and guinea pigs who are ready for new homes as well.

How You Can Help

- **Adopt:** Open your heart and home to a special needs pet. They may need a little extra care, but the rewards are immeasurable.
- **Donate:** Your gift helps us provide medical care, enrichment, and comfort to animals who need it most.
- **Sponsor:** Can't adopt? Sponsor a pet's care and help them find their forever family.
- **Share:** Spread the word. Every “share” brings our animals one step closer to home.

Through your generosity, the **HSWC Well-Pet Center Spay/Neuter Clinic** has had a **remarkable year, successfully completing over 1600 surgeries** to help reduce pet overpopulation and promote healthier lives for companion animals. In addition to spay and neuter procedures, we have provided vaccinations and microchipping, ensuring pets are protected and easily identifiable. Our commitment extends beyond individual pet owners—we've also supported numerous animal rescue partners by addressing a wide range of medical and wellness needs, helping more animals find forever homes even faster.
