Help Us Cross the Finish Line!

It feels like Groundhog's Day to be typing another article about this, because it has been "in planning" for so long! The graphic illustrates some of the actual plans in the works!

Due to higher-than-anticipated estimates for the clinic building project, we had to make some major changes to our plans, but we are trying not to let that further delay construction.

We anticipate signing a contract for the project in September 2023, and will still likely have a groundbreaking this fall! Hopefully this will be accomplished by the time you are reading this.

HSWC has savings designated to cover much of this project, but funds will still be needed to pay off the construction company, install kennels and medical equipment and furnish the building. Once completed, this building will serve as a vital resource for Waupaca,

surrounding communities, and many other shelters and rescues in central Wisconsin. We will be able to greatly increase the number of spays/neuters done monthly, as well as increase our offering of vaccination and microchip clinics.

As of this writing, we still need to sell about 15 Memorial Bricks so we can place the order we have been working on for a few years now. You can find the order form on the back of this page. All proceeds from the Brick Sales will go to the building fund.

I can't wait to show you the photos of our groundbreaking!

Thank you for helping us get this far!

ADOPTABLE DOGS AND CATS AT HSWC

Visit waupacahumane.org to see all our available pets!

Filbert

1 year old grey male, looking for perfect home.

Filbert would love to go home with one of his buddies. He can be picky about his pals and will make it known how he feels.

He loves attention and compliments on how handsome he is.

Slim

3 year old, handsome cat looking for a forever home with the perfect windows.

He would prefer to be your one and only.

Slim is a mellow guy and loves to help with desk work.

Alfons and Kitty Boy

1.5 year old bonded brothers who love attention and other kitties. These sweet boys are shy and quiet, but once they are comfortable they are as sweet as pie.

AVAILABLE IN ALL SHAPES AND SIZES!

Visit waupacahumane.org to see all our available pets!

Myah

8 year old white shepherd/husky mix with a great personality.

Myah had her first ACL surgery on her left leg a few months ago. She is currently recovering from her ACL surgery on her right leg.

She's recovering well and still waiting for her forever home.

She LOVES walks and her stuffed animals toys. She can't live with cats and would prefer to be an only pooch.

Ella

10 year old brindle beauty American Staffordshire terrier/lab mix with a goofy personality.

We all dearly love Ella, but we would love even more for her to find a forever home so we can throw a big party for her!

Ella would love a home where she's the only princess. She loves walks and playtime but can also be a big couch potato.

Bringing Hope, Saving Lives, Building Community

In the  of Waupaca County lies a place where wagging tails, gentle purrs, love and boundless gratitude intersect. Animal shelters are not just spaces for homeless pets; they are the bridge between despair and hope, offering a chance at a brighter future to countless furry companions. However, the sustainability and impact of our shelter relies heavily on the unwavering support of our community.

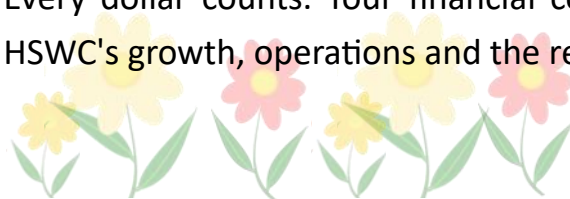

Adopting a pet from an animal shelter is an act of kindness that goes beyond providing a loving home for a furry friend. It's a powerful statement against pet overpopulation, a stand against the abandonment of animals, and a commitment to responsible pet ownership. Shelter pets come from all walks of life, each with a unique story and an eagerness to become a cherished member of a loving family. By choosing adoption, you're not just welcoming a pet into your life; you're giving an animal a second chance at happiness.

Consider adopting your next pet from a shelter! By doing so, you're offering a loving home to an animal in need. Shelters and rescues all over the US are full to the brim right now.

Donating to animal shelters is equally crucial. Financial contributions directly impact the care, medical attention, spay/neuter and rehabilitation efforts that animals receive while awaiting adoption. These contributions help cover food, shelter, medical expenses, and even the implementation of essential programs that improve the overall well-being of the animals. Your donation isn't just money; it's a lifeline that ensures that shelters can continue their life-saving work.

Every dollar counts. Your financial contributions directly support HSWC's growth, operations and the resident animals.

Continue on Next Page

The strength of our community lies in our collective actions. By supporting HSWC through adoption, donations, and promotion, you're not only enriching the lives of countless animals but also shaping a community that values compassion, responsibility, and kindness. Let's continue to build a future where every pet has a loving home and where our community thrives through the bonds we share with our furry companions.

Together, we can create a world where every purr and wagging tail is a testament to the power of community support!
